

5 Day Prerequisite Intensive
Registration Information and Registration Form:

Time and Location: We meet daily from roughly 10am to approximately 5pm in the teaching space indoors at my home near Wakefield, Quebec. The entire land that I steward, including the indoor space maintains a vibration that is conducive to doing inner depth work of this kind. We will be in the flow of energy of the 5 day so some days we may go longer than 5 pm and others end earlier. For this reason, it is recommended that you set this time apart from as much of your other activities as possible like a retreat. This allows for your time to be used more fully to grapple with the reality of your Contract. There are several hotels in the immediate area or I may be able to arrange billeting if you would prefer not to travel from Ottawa. Directions to the site and any other pertinent information will be sent upon receipt of the Registration Form and your Deposit.

Cost: \$625.00 (+ 13% HST of \$81.25 = \$706.25) which includes snacks and lunches, and most of the relevant educational materials. It does not include accommodation.

Work exchange: There is no work exchange for the 5-day Prerequisite, except cooking. If you are interested in cooking, please contact me by phone. It is usually offered to someone who has experience cooking for groups.

How to register: Please print-out and mail (or drop-off at my office – see the Registration Form) your Deposit and Registration Form for the 5-Day Intensive by 10 days previous to beginning of the course. A non-refundable deposit of \$150.00 is required to hold your space. If you are trying to register in the 10 days pre-the course, please call me before doing so since we may need to make other arrangements or the course may be full.

Regarding Being in Year 1 of The Wisdom & Happiness Program:

There is no obligation to do so however most people take Year 1 since it is natural to continue in your group working with the content offered in the 5 Day Prerequisite Intensive and deepening into your understanding and experience of your Purpose. Year 1 is designed to focus on what may hold you back from it doing so and clear those issues. It is recommended that you set aside those dates of Year 1 to enable you to participate easily should you choose to continue.
